2 Control of water-supply :—
The bye-laws proposed agree in all
essentials with those recently approved
by Govt for the Chidambaram Town
Municipality
3 The bye laws for the scraping of grass
are in force in the Nagapattinam Municipality
and the Municipal Council were empowered to
frame such bye-laws under Section
48 (iv) of the Madras Municipalities
Act. There are no striking differences in
these bye-laws proposed, Submitted for
orders

I have examined the bylaws they
are simple and do not appear to be
ultra vires in any respect though it is
possible to make the bylaws more
comprehensive it does not appear to be
necessary to do so, as the rest of Municipalities
seem to think that the laws framed by them
will meet the present requirements
I) They may be passed
